

# Go Green, Go Paperless

with Marco Group of Companies for a better world – June 2023

We are taking steps to go paperless to reduce our carbon footprint and promote an eco-friendly business environment. As our esteemed authorized dealers, you have also joined us in going green by subscribing to receive e-copies of our monthly statements.

## Benefits of E-Copies...

Fast, Accurate, Convenient, Secure, Easy Achieve & Eco-Friendly

---

## More "Green" with the Spare-Part & Accessories Ordering Function

The "**Dealer Portal**" was launched in July 2022 as a remote ordering system specifically designed to cater to our authorized dealers. Aligned with our paperless initiative, it **has now been enhanced to facilitate the ordering of spare parts and accessories.**

The additional function offers a convenient and efficient way for you to order parts and accessories directly online, 24/7. Through the portal, you can easily browse the available accessories, view pricing information, and place orders with just a few clicks.

**To access the portal, please visit <https://marcolive.marco-groups.com/> and log in using your existing dealer account information.**

## Contact us for Assistance

If you have any questions or need assistance accessing the portal, please contact our customer support team via WhatsApp at **012-295 4822** for **Marco Service Center** OR write us at [tsw@marco-groups.com](mailto:tsw@marco-groups.com) for **Credit & Billing** related matters.
