

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

Marco Corporation (M) Sdn Bhd. is committed to fostering positive impacts in the communities we operate within. Under the Community and Society pillar of our Environmental, Social, and Governance (ESG) initiatives, we aim to support education and create opportunities for less fortunate students with academic potential. In collaboration with CASIO Malaysia Sdn Bhd and State Education Department (JPN) – representing all states and federal territories of Malaysia, we will distribute 4,000 units of the CASIO FX-570EX scientific calculators to deserving students, contributing to their educational journey.

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

Project Overview:

We have partnered with CASIO Malaysia Sdn Bhd to execute the initiative, which involves the distribution of 4,000 units of the CASIO FX-570EX scientific calculators to students who have demonstrated academic potential but lack access to necessary tools. The calculators are vital for their academic success, particularly in subjects that require advanced mathematical computations.

This initiative aligns with our commitment to support education and empower the youth, enhancing their learning experience and contributing to their future success.

Collaboration Partners:

We are proud to partner with CASIO Malaysia, a renowned manufacturer of calculators, to ensure the success of this initiative.

State Education Department (JPN): A government agency responsible for education. They will help identify eligible students and facilitate the distribution process.

Project Timeline:

- **Quarter 1 of 2023:** Project kick-off and collaboration agreements finalized.
- **Quarter 2 of 2023:** Identification and selection of eligible students by the State Education Department (JPN). Preparation of the 4,000 unit of CASIO FX-570EX scientific calculators jointly equal funded by CASIO Malaysia & Marco Corporation (M) Sdn Bhd
- **Quarter 3 of 2023:** Distribution ceremony organized by our company in collaboration with CASIO Malaysia Sdn Bhd and State Education Department (JPN). Distribution to students across various locations.
- **Quarter 4 of 2023:** Project completion and evaluation of the initiative's impact.

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

Series of formal giving-out ceremony in collaboration with JPN to symbolize the donation and its significance.

JPN Putrajaya & KL @ 22nd Jun 2023

JPN Johor @ 11th July 2023

JPN Negeri Sembilan @ 25th July 2023

JPN Perak @ 18th July 2023

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

**Invite stakeholders, including government officials, educators, students, and
representatives from CASIO Malaysia – Aug 2023**

**Include inspirational speeches, testimonials, and interactive sessions to engage students
and stakeholders – Aug 2023**

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

Collaborate with JPN to facilitate the distribution of calculators to the selected students
through educational institutions – Aug 2023

By completing this project, Marco aims to make a meaningful contribution to society, ensuring that deserving students have the necessary tools to excel academically and pursue a brighter future. Through collaboration, transparency, and accountability, we envision a more inclusive and equitable educational landscape.

EMPOWERING EDUCATION: PROVIDING ACADEMIC TOOLS to Less Fortunate Students

Expected Outcomes:

1. **Educational Empowerment:** Providing essential tools to students will enhance their learning experience and academic performance, increasing their chances of success.
2. **Equity and Access:** The initiative promotes equal access to education by supporting less fortunate students, reducing educational disparities.
3. **Collaborative Partnerships:** Strengthening partnerships with CASIO Malaysia and the State Education Department, fostering a collaborative approach to community initiatives.
4. **Positive Reputation:** Demonstrating our commitment to social responsibility enhances our company's reputation as a conscientious and socially aware organization.

Conclusion:

Through the initiative, we are not only distributing calculators but also investing in the future of less fortunate students with academic potential. By collaborating with CASIO Malaysia Sdn Bhd and State Education Department (JPN), we are taking tangible steps to improve educational equity and provide opportunities for personal growth. This initiative reflects our dedication to the well-being of the communities we serve and aligns with our broader ESG goals
